

## 2018 Spring Garden Clean-Up - Work Day Chores

**If you cannot make the work day, see the makeup tasks listed on a separate page below**

1. Find, clean, and fill water cooler; put on picnic table
2. Weed all pathways including around individual plots, water spigots, etc.
3. Sweep up any dried leaves; place in compost.
4. Help Linda Zaimis add soil to City Harvest beds and other tasks.
5. See Joan for fertilizing Ilex hedges with Holly Tone, roses with Rose Tone, and daffodils with Bulb Tone. ( both inside the garden proper and in the Parkside Plantings).
6. Clean and organize area around and next to wagons (old chicken wire, tomato cages, bricks, etc.).
7. Remove everything from tool shed, sweep shed, organize and replace contents. Insert umbrella (stored in rafters) into picnic table. (Help Mike Kihn)(take inventory-update).
8. Fill beds to near top-which ones-ask?
9. Trim any ivy growing into the Ilex hedges (trimming may or may not be necessary at this time); cut away any dead Ilex branches you see.
10. Weed common beds as necessary: iris, peony, roses. Place weeds in trash, not compost.
11. Gas grill: light, heat, clean grilling surface with wire brush; clean drip pan if necessary. Cook as needed
12. Set out refreshments
13. Deadhead daffodils as necessary, both within and outside the garden.
14. Compost: Consolidate existing bins.
15. Other stuff for another day:

Hedge trimmers are at Carols and Ted Reed's (?Anthony and Nick G)

Lubricate locks with W/D 40. Include lock on gas grill, and the lock on the electrical box that's on one of the wooden pillars on the west side of the cistern area.

Repaint table and chairs. Bronze door coating -summer-see Carol or Jerry

If warm enough, clean and repaint bollards (if temp above 60 degrees-July)

**MAKEUP TASKS TO BE DONE EITHER BEFORE OR AFTER THE WORK DAY.**
